Foundation: The Annual Sabbaths – A Prophetic Perspective

Isaiah 58:12-14 (KJV)

¹²And they that shall be of thee shall build the old waste places: thou shalt raise up the foundations of many generations; and thou shalt be called, The repairer of the breach, The restorer of paths to dwell in.

¹³If thou turn away thy foot from the sabbath, from doing thy pleasure on my holy day; and call the sabbath a delight, the holy of the LORD, honourable; and shalt honour him, not doing thine own ways, nor finding thine own pleasure, nor speaking thine own words:

¹⁴Then shalt thou delight thyself in the LORD; and I will cause thee to ride upon the high places of the earth, and feed thee with the heritage of Jacob thy father: for the mouth of the LORD hath spoken it.

Romans 14:5 One man esteemeth one day above another: another esteemeth every day alike. Let every man be fully persuaded in his own mind.

Christ: Seeing The Abomination Of Desolation - The Command To Flee

Matt 24:14 —And this gospel of the kingdom shall be preached in all the world for a witness unto all nations; and then shall the end come. **15**When ye therefore shall see the abomination of desolation, spoken of by Daniel the prophet, stand in the holy place, (whoso readeth, let him understand:) **16**Then let them which be in Judaea flee into the mountains: **17**Let him which is on the housetop not come down to take any thing out of his house: **18**Neither let him which is in the field return back to take his clothes. **19**And woe unto them that are with child, and to them that give suck in those days! **20**But pray ye that your flight be not in the winter, neither on the sabbath day: **21**For then shall be great tribulation, such as was not since the beginning of the world to this time, no, nor ever shall be. **22**And except those days should be shortened, there should no flesh be saved: but for the elect's sake those days shall be shortened.

Note Luke's recording of these statements, slightly different:

Luke 21:20-21 —And when ye shall see Jerusalem compassed with armies, then know that the desolation thereof is nigh. Then let them which are in Judaea flee to the mountains; and let them which are in the midst of it depart out; and let not them that are in the countries enter there into.

Note:

1 – It is END TIMES Christ is discussing, not the temple destruction in 70 A. D.

2 - Three Groups Matt/Luke: Judeans/Judeans, Housetops/Midst, Fields/Countries

Every reference Christ made to fields in the New Testament ALWAYS referred symbolically to the field of the harvest, the entire world. Therefore when Luke tells us 'countries', Luke is telling us that fields does NOT mean the countryside around Jerusalem, but the countries of the world. And ALL three groups are to flee to the same rendezvous point, the mountains nearest which are physically south and east of Jerusalem, just across the border of modern Israel in the modern day country of Jordan.

Note references to 'fleeing':

Matthew 2:13 And when they were departed, behold, the angel of the Lord appeareth to Joseph in a dream, saying, Arise, and take the young child and his mother, and flee into Egypt, and be thou there until I bring thee word: for Herod will seek the young child to destroy him.

John 8:59 Then took they up stones to cast at him: but Jesus hid himself, and went out of the temple, going through the midst of them, and so passed by.

Matthew 10:23 But when they persecute you in this city, flee ye into another: for verily I say unto you, Ye shall not have gone over the cities of Israel, till the Son of man be come.

Revelation 12:14 And to the woman were given two wings of a great eagle, that she might fly into the wilderness, into her place, where she is nourished for a time, and times, and half a time, from the face of the serpent.

Fleeing does connote personal action, not waiting for God to do the transporting, from a common sense point of view ... but not fleeing i.e. waiting for a rapture ... isn't fleeing, again from common sense. But, God's will be done, and we ALL see through a glass darkly at this time.

Daniel: The Abomination Of Desolation - Sacrifices Ending vis a vis the End Times

Note Daniel 12:

9And he said, Go thy way, Daniel: for the words are closed up and sealed till the time of the end.

10Many shall be purified, and made white, and tried; but the wicked shall do wickedly: and none of the wicked shall understand; but the wise shall understand. **11**And from the time that the daily sacrifice shall be taken away, and the abomination that maketh desolate set up, there shall be a thousand two hundred and ninety days. **12**Blessed is he that waiteth, and cometh to the thousand three hundred and five and thirty days. **13**But go thou thy way till the end be: for thou shalt rest, and stand in thy lot at the end of the days.

Notes:

- 1 – This is the time of the END.
- 2 - There was an example fulfillment in 70 AD when Antiochus Epiphanies desecrated the temple.
- 3 – Sacrifices by Jews have not occurred since, so they MUST restart again.
- 4 – Sacrifices on the Temple Mount are forbidden because of the Islamic Temple there now.
- 5 – An agreement which allows for open worship MUST first happen, followed by resumption.
- 6 – There is NO indication how long they last: days, weeks, months, or years.
- 7 – 1,335 days after they cease, is when Daniel receives “his lot”, which is the resurrection of saints.
- 8 – The countdown is to the same day: 1,335 / 1,290 / 1,260 as contrasted to Revelation.
- 9 – 45 days after they cease, an event happens when the abomination is set up ... does it include the US?
- 10- 30 days after the event, there are 1,260 days left, which is the time frame of the Tribulation.
- 11 – At the end of the tribulation, at the last Trumpet, the dead are raised at Christ’s final day.

Speculation: IS it Iran’s goal to EMP launch from the south, so as to reach central USA?

Prophetic End Times

Current Events: The UN, The Quartet & Tony Blair, The Two-State Solution, Iran & Sacrifices

The Quartet, with Catholic convert and representative Tony Blair are desperately working to cause an Israel/Palestinian Two-State solution and homeland for Palestinians to keep the issues from exploding into a oil production freezing catastrophe in the Middle East as a region.

The Pope desires to pray on the Temple Mount, as a pilgrim, and President Abbas has promised to open the holy places to open worship, with NATO volunteering to be an International police force to keep peace up there. That openness would also allow Jews access to start again with the "Third Temple".

Beside the issues of earthquakes, wars, famines, droughts, floods, and other such issues, the world economy is on the verge of a collapse because it is based not on substance, but on governmental promises. The ONLY world currency with some level of stability is the Euro, because it is based on gold.

Iran wants to nuke America so as to then conquer Israel. Iran is about to be capable of launching EMP nuclear weapons by some estimates at the end of this current year, 2011, which wipes out the electricity and electronics of a country. They are able to launch from ships. Only one EMP nuke is necessary per government report and interview with former CIA head, Ambassador Jim Woolsey, to wipe out the United States back to the 1800's in only a few seconds. No city water or well water pumps, no computers, no communication, no gas for cars, no cars, no way to grow or transport food, no planes and air traffic control. People can only survive a few days without water, and our water from our streams and rivers are disease producing wastes. Along with the destruction of the economy of the US goes the rest of the world – except for countries based on Gold. The President of Iran is a Madhi crazed nut, who MUST act in an even numbered year (2012, 2014, 2016) etc, to bring the chaos needed for the Mahdi to appear. However, he will be removed from the Presidency in 2013, when elections are held. Of the latest, Iran is now going to start patrolling with warships in international waters off the coast of the USA, likely refueling in Venezuela, meaning they will be in and around the Gulf Of Mexico with these weapons, where they are in range to strike mid-USA about the area of Oklahoma to effect all the country from a 93+ mile Shihab-3 apogee – likely right along with Canada and Mexico too. After Tehran rejected a recent US request to establish a "red phone" link between the countries to avoid unwanted confrontation between their armed forces in the Gulf region, Ali Fadavi, Revolutionary Guards (IRGC) Navy chief, commented enigmatically: "When we are in the Gulf of Mexico, we will establish direct contact with the United States." That cannot be made more clear.

NO MAN KNOWS THE DAY NOR THE HOUR!

However, WHEN sacrifices restart, the key is that 1,335 days after they stop Christ is to return to give Daniel his reward, which is the moment when the Father reveals that day to His people.

Despite popular prophetic interpretations indicate a 3 ½ year period, given the volatility of the region, they may not last 3 ½ days, so BE PREPARED! The Trumpets will blow, the Atonement will occur, the 1,000 year rule will happen, and ALL will be judged out of the books! The New Jerusalem COMES!
